## *Rates & Services*

### **Intake Appointment**

90-180 minutes

\$195 Adult or Child Intake Appointment

**ADULTS:** Our first session is a special time as it is the first step on your pathway to wellness. It will take a bit longer so we can spend time getting to know one another and gather information on your past history as well as thoughts and feelings and situations affecting you or your family presently.

**CHILDREN:** For a child, here is where we gather a detailed history with parents/caregivers, and begin comprehensive evaluation on the issues you bring to my attention. This can include trauma assessments, attachment assessments, depression screenings, and much more. This is typically done over three full one hour sessions. This will include meeting with parents, child, and whole family.

## *Individual Adult / Child Therapy*

At Smiling Spirit Pathways, we don't believe in the "50 minute hour". You will receive a full 60 minutes of therapy for every session hour, without higher rates. Clinicians in the practice will have different rates based on position in the practice, role, and experience. You will be advised as to your clinician's rates when choosing a provider at the Center.

\$70-\$80 per 30 minute session

\$100-\$165 per 60 minute session

\$45 per 60 minute group session

## *ADD-ON Services*

For any additional face to face meetings with school personnel, parent coordinators, or other care providers, a fee will be assessed. The rate is pro-rated at an hourly rate of

\$150, and will include travel to and from the location. Phone calls are assessed in 15 minute increments.

### *Fees for Forms & Letter Requests*

From time to time, letters are requested for disability, schools, court, parenting coordinators or other such needs. A checklist form provided by you is assessed at \$50. Any prepared letters requiring narratives for other purposes are assessed at \$150 per letter for up to 2 pages. There is an additional fee for greater than 2 pages. For more detailed assessments, please speak with Smiling Spirit Pathways.

### *Generational Healing for Families*

Generational Healing is a unique and specialized service designed to help adult parents and adult children release, repair, and restore wounded relationships. It is typically a service that families already involved in a healing process at the Center add on to deepen their healing experience and strengthen individual and relational resilience.

3 Sessions: 2 hours each \$990

5 Sessions: 2 hours each \$1650
